

Resolution Format

Example Resolution:

United Nations General Assembly

Sponsors: Iraq, Russian Federation...etc.

Signatories: (Any Country that wants your paper to be debated on)

1.1

The General Assembly,

Reaffirming the sacred principles of the United Nations charter, which includes an obligation to establish and preserve world peace and cooperation,

Recognizing the importance of multilateralism and the dangers of unilateral action,

Further recognizing the danger posed by biological and chemical weapons,

Recalling the execrable loss of life on both sides during the previous Middle East conflict,

Further recalling the previous UN resolutions outlawing the development of biological and chemical weapons in Iraq,

Taking into consideration, the suffering of the Iraqi people, partially as a result of sanctions,

Alarmed by the use of chemical weapons by the nation of Iraq on the Kurdish minority in that country

Further taking into consideration the reports of previous UN weapons inspections

1. Condemns any unilateral attack against Iraq by the United States;
2. Urges all Security Council nations not to sponsor any resolution legitimizing the use of force against Iraq;
3. Demands that Iraq hold firm with its agreement to allow unfettered weapons inspections to continue;
4. Requires that the issue of Iraqi sanctions be reevaluated by a special committee appointed by the General Assembly of no less than seven nations of which no more than two of the same continent on compliance with operative clause three.
